FIGHTING FOR JUSTICE FOR WORKERS NATIONWIDE

Fitapelli & Schaffer, LLP is committed to ensuring employees are treated fairly. Deeply experienced in class and collective actions, the firm has taken on some of the largest corporations in the country and consistently achieved substantial results.

Focused exclusively on protecting the rights of employees, founding partners Joseph Fitapelli and Brian Schaffer have built a reputation for championing wage-and-hour claims, including unpaid wages, overtime pay, and tips and commissions, as well as discrimination, wrongful termination and whistleblower matters. Through litigation and negotiation, Fitapelli & Schaffer has recovered tens of millions of dollars for its clients.

From its base in New York City, the firm represents workers nationwide, amassing a strong record of success by conducting rigorous investigations and building strong, trial-ready cases. Attorneys across the country regularly refer clients to Fitapelli & Schaffer, assured by the firm's proven ability to secure justice for wronged employees. It's no wonder Fitapelli and Schaffer have once again been named to Super Lawyers, and Frank Mazzaferro and Armando Ortiz have been selected to Rising Stars.
